REQUESTED ACTION

Authorize the Department of Education enter into a **sole source** contract with the Children's Scholarship Fund, Concord, NH (vendor code 325139), to implement the Education Freedom Accounts (EFA) Act establish RSA 194-F, by administering EFA accounts for eligible students, with an amount between \$3,786.66 and \$8,457.96 per eligible participating New Hampshire student with a household income of 300% or less than the Federal poverty level. Effective upon Governor and Council approval through June 30, 2022. 100% Education Trust Fund.

Funds to support this request are available in FY 22 in the account titled Education Trust Fund as follows:

06-56-56-560040-30430000-652-500580 Education Freedom Account

EXPLANATION

The Department of Education is entering a **Sole Source** contract. New Hampshire's EFAs empower families from low- and middle-income backgrounds with access to the educational options and environments that best meet their child's needs, interests, and talents. It accomplishes this by allowing these eligible families to direct state education funds supporting their child's education to the educational programming of their choice. Funds unused each year are rolled forward for future educational expenses until the child graduates high school.

Per RSA 194-F, the commissioner of the department of education is required to transfer to the scholarship organization the per student adequate education grant amount under RSA 198:40-a, plus any differentiated aid that would have been provided to a public school for that eligible student. The transfers shall be made in accordance with the distribution of adequate education grants under RSA 198:42. The Department of Education has selected the Children's Scholarship Fund as the Scholarship Organization (Scholarship Organization) as the sole source recipient of this program.

According to RSA 194-F:1, XII, "Scholarship Organization" means a scholarship organization approved under RSA 77:G, that administers and implements the EFA Act. Currently, only two organizations in New Hampshire meet these criteria, the Children's Scholarship Fund and the Giving and Going Alliance. The Giving and Going Alliance has notified the Department of Education that they are not interested in participating in this program during this fiscal year.

It is the intention of the Department of Education to offer a competitive bid process to attract one or more entities, including the Children's Scholarship Fund, to provide these services in future years. Because of the short implementation timeline and lack of qualified organizations in New Hampshire, it was not possible to run a competitive bid process in this first year of implementation.

Children's Scholarship Fund New Hampshire currently provides scholarships to empower low and moderate income New Hampshire families to choose the schools that best fit their children's needs, regardless of their income or zip code. The Children's Scholarship Fund has been operating the Education Tax Credit Scholarship Program, under 77:G in New Hampshire since its inception in 2013. The program's NH Department of Revenue (NH DRA) ED-05 annual reports are detailed and public on the NH DRA website.

Children's Scholarship Fund New Hampshire is part of Children's Scholarship Fund National, a network of partner programs each providing scholarships that empower parents to choose schools they otherwise could not afford. Children's Scholarship Fund is a 501 (c) (3) nonprofit charity scholarship organization. They have an annual independent audit. Their 990s, financial statements, and annual reports are public. They have a 4-star Charity Navigator rating - the highest possible rating - and also the have the highest possible score that a nonprofit can attain for accountability and transparency.

Respectfully submitted,

Frank Edelblut
Commissioner of Education

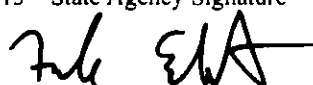

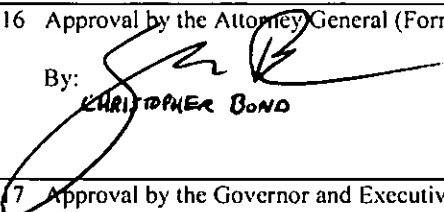

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.
