

Student

STU-18 Computer Device Build Form (Requirements)

Computer Device

Per Administrative Rules Ed 800, a EFA student may purchase (1) one “*Computer device*”, every (3) three years. For the purpose of the EFA program, a “*Computer device*” is defined as a laptop or desktop computer.

Computer Device Builds (Requirements)

- The parent/student must agree to the following requirements and sign this form.
- A parent/student may elect to build a computer device once every (3) three years in lieu of purchasing a computer device as part of the student’s educational plan, but they do so at their own risk.
- Individual computer components may not exceed \$1,600 per component for a total cap of \$3,600 per computer device.
- The parent/student must submit (1) one ClassWallet order that contains all (8) eight major components listed below in the same ClassWallet order.
- You may not submit components for purchase separately, multiple orders will not be accepted.
- If submitting an order for reimbursement, all components and receipts must be submitted in the same ClassWaller order.
- A completed copy of this form must be attached to the student's ClassWallet order or emailed to nhapprovals@scholarshipfund.org (include order number).
- Components that are damaged, components that are out of warranty or components that fail, will not be replaced using EFA funds until the student is eligible to purchase another computer device using EFA funds.

The above requirements are in place to protect the integrity of the EFA program and to reduce the risk of potential fraud and misuse of EFA funds.

How to use this Form

Please fill out and sign this form and then attach the signed form to your order. You may also email the signed form to nhapprovals@scholarshipfund.org.

All major PC components must be purchased and submitted in the same ClassWallet order. Direct any questions to: nhapprovals@scholarshipfund.org.
